Bramley Falls and Hawksworth Woods, Leeds
Sunday 5th January 2020

Venue Bramley Falls, West Leeds beside the Leeds & Liverpool canal. Longer courses will use Hawksworth Woods for the first time with a new map by Chris Burden.

Travel On Sundays Kirkstall Forge has hourly Leeds-Shipley-Bradford trains, with connections at Leeds and Shipley. There are buses every 20mins along the A65.
Public Transport maps and information are available at WYmetro.com
Kirkstall Forge has good cycle parking facilities.

Parking Thanks to CEG, the developers behind the new Kirkstall Forge development, parking will be in the office car park opposite the main building entrance of Number One Kirkstall Forge and close to Kirkstall Forge station.The postcode for Kirkstall Forge is LS5 3BF.

Directions From Leeds City Centre follow the A65 westwards. 1.5 km after Kirkstall Abbey turn left at the traffic lights, following the signs to Kirkstall Forge.
From the Leeds outer ring road (west) follow the A65 eastwards, downhill through Horsforth to the Kirkstall Forge traffic lights.
The event will be signed at the Kirkstall Forge traffic lights on the A65.

Facilities Registration, download and toilets will be at the Hunter's Greave scout hut, in the competition area, 450m from parking.
Please only approach registration on the marked route from the station.
Hot drinks will be available in Butler's cafe which is located on the ground floor of Number One Kirkstall Forge office building, opposite the car park. From 10.30am onwards

Dogs No dogs in the scout camp area please. Dogs under control are allowed on the courses. Please clear up any mess.

Terrain Both parts of the competition area are mainly open runnable woodland with some open parkland and generally moderate undergrowth.
Longer course will have a mandatory, timed out crossing over the A65.
The newly extended map will include areas under development or for other reasons marked as "out of bounds" - please strictly avoid these areas.

Courses White to Brown, including short Green are being planned.
There will be a Red/Long Orange course for fit less-experienced adult runners.
We hope to provide a simple string course in the area around the scout hut.
Controls will be SIAC enabled.
