

## AIRE Instructors Course – BOOK NOW!

We already have a tutor, 1 participant & possible dates.

- Like to share your orienteering skills with others?
- Enjoy learning together with others?
- Want to be useful while your children are competing/training?

Train as an orienteering instructor so you can:

- teach orienteering skills to orange standard through games and exercises
- create a safe training environment and follow key requirements
- make it fun and exciting.

The training will involve:

- Online modules - 3 or 4 hours
- 10 -12 hours practical sessions over 1 weekend with a tutor
- Continuous assessment during the course - certificate

To be licenced as an instructor you will need, if you don't have already:

- First aid training
- Safeguarding training

**We need 4-12 participants – Mail me now for more details**
