

## **Aire are now seeking volunteers to run our autumn (and beyond) events.**

We've had rather a long gap since last making any request. We now urgently need to fill some vacancies.

email Chris Burden at [fixtures@aire.org.uk](mailto:fixtures@aire.org.uk) to make an offer or to discuss.

If you are interested but unsure whether you can manage, we can arrange mentoring. All the Local events, which are at the foot of this appeal, are suitable for first time planner/organisers. The Regional events are suitable for anyone with some experience of organising a local event.

All futuer events can be seen at [Airienteers Event Planner:](#)
