Please note:

The British Orienteering insurance policy provides public liability cover. It protects all British Orienteering members, individuals and clubs, in the event of a claim arising in connection with any British Orienteering-registered event or other British Orienteering recognised activity. It does not provide accident, medical or property insurance (storm damage, fire, theft, loss, etc.), except in circumstances where these give rise to a claim for negligence or other liability.

However recent legal requirements mean that:

- 1) All injuries, accidents or incidents which could give rise to a claim must be reported to the British Orienteering office **within one week**. Any injury which, in a place of employment, would be recorded in an Accident Book, should be reported to British Orienteering using this form or in some other written form.
- 2) Any British Orienteering member or club who receives notice of a claim **must forward it to British Orienteering office within one week of receipt**.

Failure to observe these requirements could invalidate the cover.
