

## New Year's Day Event - Chevin - 1st January 2015

Thank you to everyone for coming and for waiting a few minutes whilst I processed the entries. I think that the age handicap system seemed to work, as the points were quite tightly clustered. Thanks to the control collectors and number crunchers, and especial thanks to Greg for putting out controls, collecting them in, and manning the map changeover point! A pair of light grey Sub4 gloves were left in the campervan. Happy New Year! David  
PS I don't think I missed anybody off... let me know if so!
