String Course There will be a free string course located near the start and finish. Follow the signs.

Start/Finish Start (times from 10.30-12.30) and finish are around 750m walk from assembly, back through the car park, over the canal and into the woods. Take care as you walk alongside the busy A658.

Terrain Runnable woodland. Significant rock and contour detail from old quarry workings. Extensive path network. There are some large crags in the area. Please pay attention and don't cross any black and yellow tape that mark the biggest crags.

Safety Competitors take part at their own risk and are responsible for their own safety. All competitors are advised to carry whistles. In the case of bad weather, then cagoules may be compulsory.

Map Pre-marked and waterproof at a scale of 1:5000, updated by Chris Burden 2014. Loose control descriptions will be issued at the start but they will also be printed on the map.

Competitors on the White and Yellow courses will receive their maps at registration, every one else will receive theirs at the start.

Results Results will be on the Airienteers website (www.aire.org.uk) shortly after the event.
