## Results – Golden Acre Night Score - 25th November 2015

Thank you for all coming along and making such a good turnout for the first Wednesday Night League event of this winter.

The Council have been busy building new paths and flowerbeds etc. around the park over the summer, which restricted control site options in a few areas – so well done to everyone who cleared both maps in under 45 minutes; it looks like we'll have to use 3 maps next time! Remarkably, everyone also made it back in on time too, which is quite unusual – so we were able to get cleared away quickly afterwards - thanks.
