

Temple Newsam Olite Results - 26 November 2016

Thanks again for turning out on what was a rather cold and damp afternoon. Many thanks to Chris MacKenzie for planning the courses, although he could not be at Temple Newsam on the day.

Sadly this will be our last Saturday morning event for the foreseeable future. Recent attendance levels have not justified the volunteer effort needed to stage these events.

We hope to be able to revamp something similar, when the efforts of the club's recently appointed Junior Development Officer and club coaches begin to bear fruit. The prime purpose of these events has always been about providing training opportunities for juniors above all else.
