

Pudsey Streets Night O Results

Many thanks to all those who turned up last night to the Pudsey Night O. It was great to see so many new faces and I hope you enjoyed your Night O experience.

Apologies again for the late start and running out of maps. A big thank you to all those who agreed to share a map and run in pairs.

A special mention to Aire member Jean Sinclair who, suffering with a cold, decided to give up her map for someone else to have a run. Thanks Jean!

The results are posted below. There were a few deductions for runners who went to the wrong lamppost, and the runners who were late back suffered a point's penalty too. This having a bearing on the final standings.

As mentioned last night the Pudsey maps are available for collection at the next Night O event at Bramley Fall on Wednesday 15th November. For those who can't make it, but would like a copy, I've attached the map pdf.

Thanks Again

Jack
