

Northcliffe New Years Day Score event Provisional Results

I'm glad you all enjoyed yourselves, but a few apologies are due.

This was all planned 6 weeks or so ago and then I went on a long holiday – during which I managed to forget my own plans. So I totally overlooked that I had awarded 20 points for half the controls. I will check the control cards to make sure you all have your full points recorded.

I really ought to read my own control descriptions. Control 12 should have been nice and easy on the stream bend. Instead you were forced to scramble up a very slippery bank to a platform – that is if you happened to spot the control was there.
