

Woodhouse Moor - 21 Feb 2018

Thanks to all that turned up last night, I hope you all enjoyed the course. My intention was to keep you thinking the whole time with so many route choice options, speaking to a few of you at the end, I think I was successful!

Congratulations to the three runners who managed to clear the course in the time limit, all coming back within 32 seconds of each other! Also great to see so many first time runners giving it a go, especially Hyde Park locals Michael and Matthew both clearing the course, but just a few minutes over.

Any queries / amendments, please let me know; furlongis@gmail.com

See you next week for Richard's much anticipated city centre course. Don't forget to email him if you are intending to run :-)
