Well done to everyone who braved the damp and windy evening in Esholt Woods! I hope I read the cards correctly and found all your click marks on the cards you returned (some were pretty muddy). Well done to Al Powell who got all but 2 of the controls, and to his Mum who still found 3 despite losing her map half way round and slipping down a muddy bank.

If you spot any mistakes please let me know: angie@hulleys.org

Thanks,

Angie Hulley

P.S. Next week's event is in Silsden, Weds 5th December
