Score events are a very inclusive format with this one entertaining runners ranging from enthusiastic cub scouts, through elite international orienteers right up to a gallant M80. Well done all.

Fantastic watching the surge of headlamps coming home as the time limit beckoned. Some impressive time management skills on display!

I had thought, that with several '30 pointers' close to home, more of you would have risked a penalty to snaffle more. Congratulations to Jack for accepting the hit of a penalty to clear all 30 controls and clinch the win. Fortune favours the brave.

Thanks to Tony for an excellent map and Leon for co-ordinating the series.

Great to see so many of you in the pub after. Thanks to the Flying Duck team including Mark Selby (AIRE) and Nick McNeice.

With 2019 fast approaching it's a perfect time to consider becoming a member of AIRE. The Club has some exciting events coming up, including the Northern Night-O Champs and a special 50th anniversary event on Ilkley Moor, hosting the British Long Distance O Champs up Littondale along with informal evening series such as this. Through membership your support would help the Club continue to provide events such as these.

See you in 2019.
