

## Farsley Night Score Results

Many thanks to everyone who came out on a chilly January evening for the first event of the winter score series. It was a great turnout – I hope you all enjoyed it. The ‘unclearable’ course, bonus controls and deceptively hilly terrain certainly seemed to keep people thinking about whether to risk it going for the big points or play it safe and get back in time; with quite a few who opted for the former strategy paying for it by the end. The unconventional scale of the map also seemed to catch a few unawares – apologies for not clarifying this before the start.

Any queries, amendments etc. please email me ([hobson.andy@gmail.com](mailto:hobson.andy@gmail.com)). The next event will be at Hall Park in Horsforth on the 16<sup>th</sup> – hope to see you all there.
