

Saltaire Event 27.02.19

Many thanks to all those who came out on an unseasonably warm February evening for our last event of the season. It was a great turnout and it was good to see a mix of regulars and new faces – I hope you all enjoyed yourselves! Well done to the ten runners who cleared the map – the sprint finish between Quentin and Leon was very exciting and the battle between Anne and Amicia to top the women’s league came down to finish times.

I’ve tried my best to decipher the sheets but I may have made some mistakes in some of the information. If so, please email me at [ee17jm@leeds.ac.uk](mailto:ee17jm@leeds.ac.uk) and I’ll try to fix them.
