

## Temple Newsam Night Score Event 27 November 2019

Thanks for all turning out on a pretty damp evening. Congratulations to Paul and Al for getting them all.

A special thanks to Mike Cox for helping to put out the course and to the legion of control collectors, who made my day a whole load easier.

Apologies for the missing Control 21. I can only think it was the victim of vandals.

If any of the information below is wrong, including misspelling of names, please let me know.
