In addition, seven scouts and leaders from 2nd Bramley Scouts took part. They scored 60 points and all got back within the hour. Well done. Coaches from Airienteers will be helping them develop their skills in the future, with a view to them taking part in further competitions.

Apologies for a couple of control description errors, and the card; it should have read A 1 – 29 and B – 1 – 29, rather than 1 – 58. And also for not making it clear to novices that kites would not be found at lampposts and postboxes – lesson learned. Nevertheless, everyone seemed to enjoy the event, and the intensity of having close to 60 controls to visit in an hour.

Congratulations to Paul Pruzina on clearing the lot with a few minutes to spare. Thanks to Tamsin for helping and Richard for his new map, any comments / corrections to him please.

A good crowd in the pub afterwards - a fitting end to the league, as ever, well administered by Leon.
