

Lister Park Maprun Results 1st -7th July 2020

Congratulations to Ian Furlong on doing a Long and Short Course double.

To leading Women on the Long (3rd Overall) Laura King and Rebecca Flaherty on short where her fabulous 2nd place is also the leading Junior performance.

Brother Alex was leading Junior on Long with a great 8th place.

We had a few issues to report on this week.

Firstly about half of the competitors had trouble getting no 4 on short/12 on long to register

Some losing a lot of time before registering others not able to register it at all.

I think the GPS didn't wholly agree with the mapped location. I have left the results as timed but have done a calculation omitting time between 3-5 and 11-13 to show an adjusted time.

A few people came up mispunched for missing 17 on long / 13 on short.

Basically going to 17 (13), you have reregistered 14 (10) as you pass within the punch tolerance range and you've taken that audible as registration of 17(13), as you have got closer to 17(13) it's not registered as it is still processing the duplicate 14(10).

Like if you have 2 SIAC controls in 10 secs of each other.

Finally leaving the course open for so long workmen cordoned off 10 on Long (7 Short) from Monday morning.
