

## Miles Hill Maprun Results 22nd - 28th July 2020

One household shares the spoils with wins for Paul Pruzina on the Long and Andrew Stemp on Short.

Winning Women Laura King on Long and Charlotte Ward on Short were also both second overall.

I hope everyone has enjoyed the first Maprun series don't worry we are continuing at Ilkley Moor next week with 3 great Trail courses planned by Tony Thornley. They are all very different so why not give all 3 a go as the event is open 7pm 31st July until 9pm 9th August

The club has provided these Maprun events free and has made a small donation to Maprun.

Maprun is run by volunteers but has service costs and licence fees etc. They say 0.50 USD per run will cover their costs please consider supporting them. Donation by Paypal via home page
