I hope you enjoyed your runs, Roundhay park is a lovely place, maybe I'll even get to go and see it again in daylight at some point soon. Sorry if you were affected by control hanging on a couple of the controls and thanks for being patient with the card payments this week – it should be back and working fully for the first of the Winter series in Eldwick on the 5<sup>th</sup> January. Thanks again for all the help from control setters and collectors.
