Thank you to all those that took part tonight. I hope you enjoyed the newly mapped area. I think even those of us that live in the area found some new corners to explore. Hopefully one day we can link up the map into Miles Hill and Meanwood!

As usual, well done to Leon and Alice for just clearing both maps. In retrospect maybe a 20 pointer in the SE corner would have made you all have to think a little more. I think an even bigger congratulations is in order for the 5 first timers that came along - Han, James, Sarah, Emily and Liz. Hope to you see you again!

Finally, thank you to the Mustard Pot for allowing us to use their pub as HQ, and to Richard for mapping the new area of the map (everywhere West of Harrogate Road)

Ian.
