

Rothwell Country Park & John O'Gaunts Results 1 November 2023

Thank you all for coming along. I hope you enjoyed the mix of tricky rough parkland and urban orienteering. There were a total of 420 points available. Nobody quite managed them all.

Control 7 went walkabout, so if you didn't find it let me know, and we'll add it to your score, if you haven't already done so.

It's rather sad that on a mild and dry autumn evening we can only get 11 runners to attend. Would it have been better if the event had been part of a weekly series? I don't know.
