

Results: Bingley - Autumn Night Score League 5/5

Many thanks to all of you for joining us on a warm but drizzly December evening. Well done to the 6 of you that reached all the controls, and I hope that all of you had a merry time.

Thanks also to the experienced planning team for their advice during the planning of this event: Chris, Peter, Liz, Leon. Your help makes it straightforward for a beginner planner like me to send people out into the wild Bingley streets.

Wishing you all a Merry Christmas!

Thank you,

Rob
