Thanks to everybody who came to run at this event. It was good to see visitors from Horsforth Fellandale (HFD) and Roundhay Runners (RR) local running clubs and I hope they enjoyed the novelty of running with a map. The event was planned by David Bowman and he certainly gave you plenty of controls to keep you busy in the 45 or 60 minute time limit. As I announced at the start David was called away on business to Romania at short notice but we appreciate his hard work in preparation.

Our next Wednesday Score event is on 5 February at Becketts Park. Entries are still open for our Regional event at Temple Newsam on Sunday 2 February. See the AIRE website for details.
